Brings You Volume IX

DERRY TOWNSHIP HIGH SCHOOL

Yeagertown, Pennsylvania

"Autumn to winter, winter into spring,
Spring into summer, summer into fall,
So rolls the changing year, and so we change,
Motion so swift, we know not that we move."

And so we, the Senior Class, wish to bring to you a year full of Memories to treasure through all years. From season to season, we wend our way from enrollment as a new class to the time when that final step, Graduation, is reached. On the following pages, in the order in which they take place, you will find pictorial records highlighting the year 1950-1951 at Derry High.

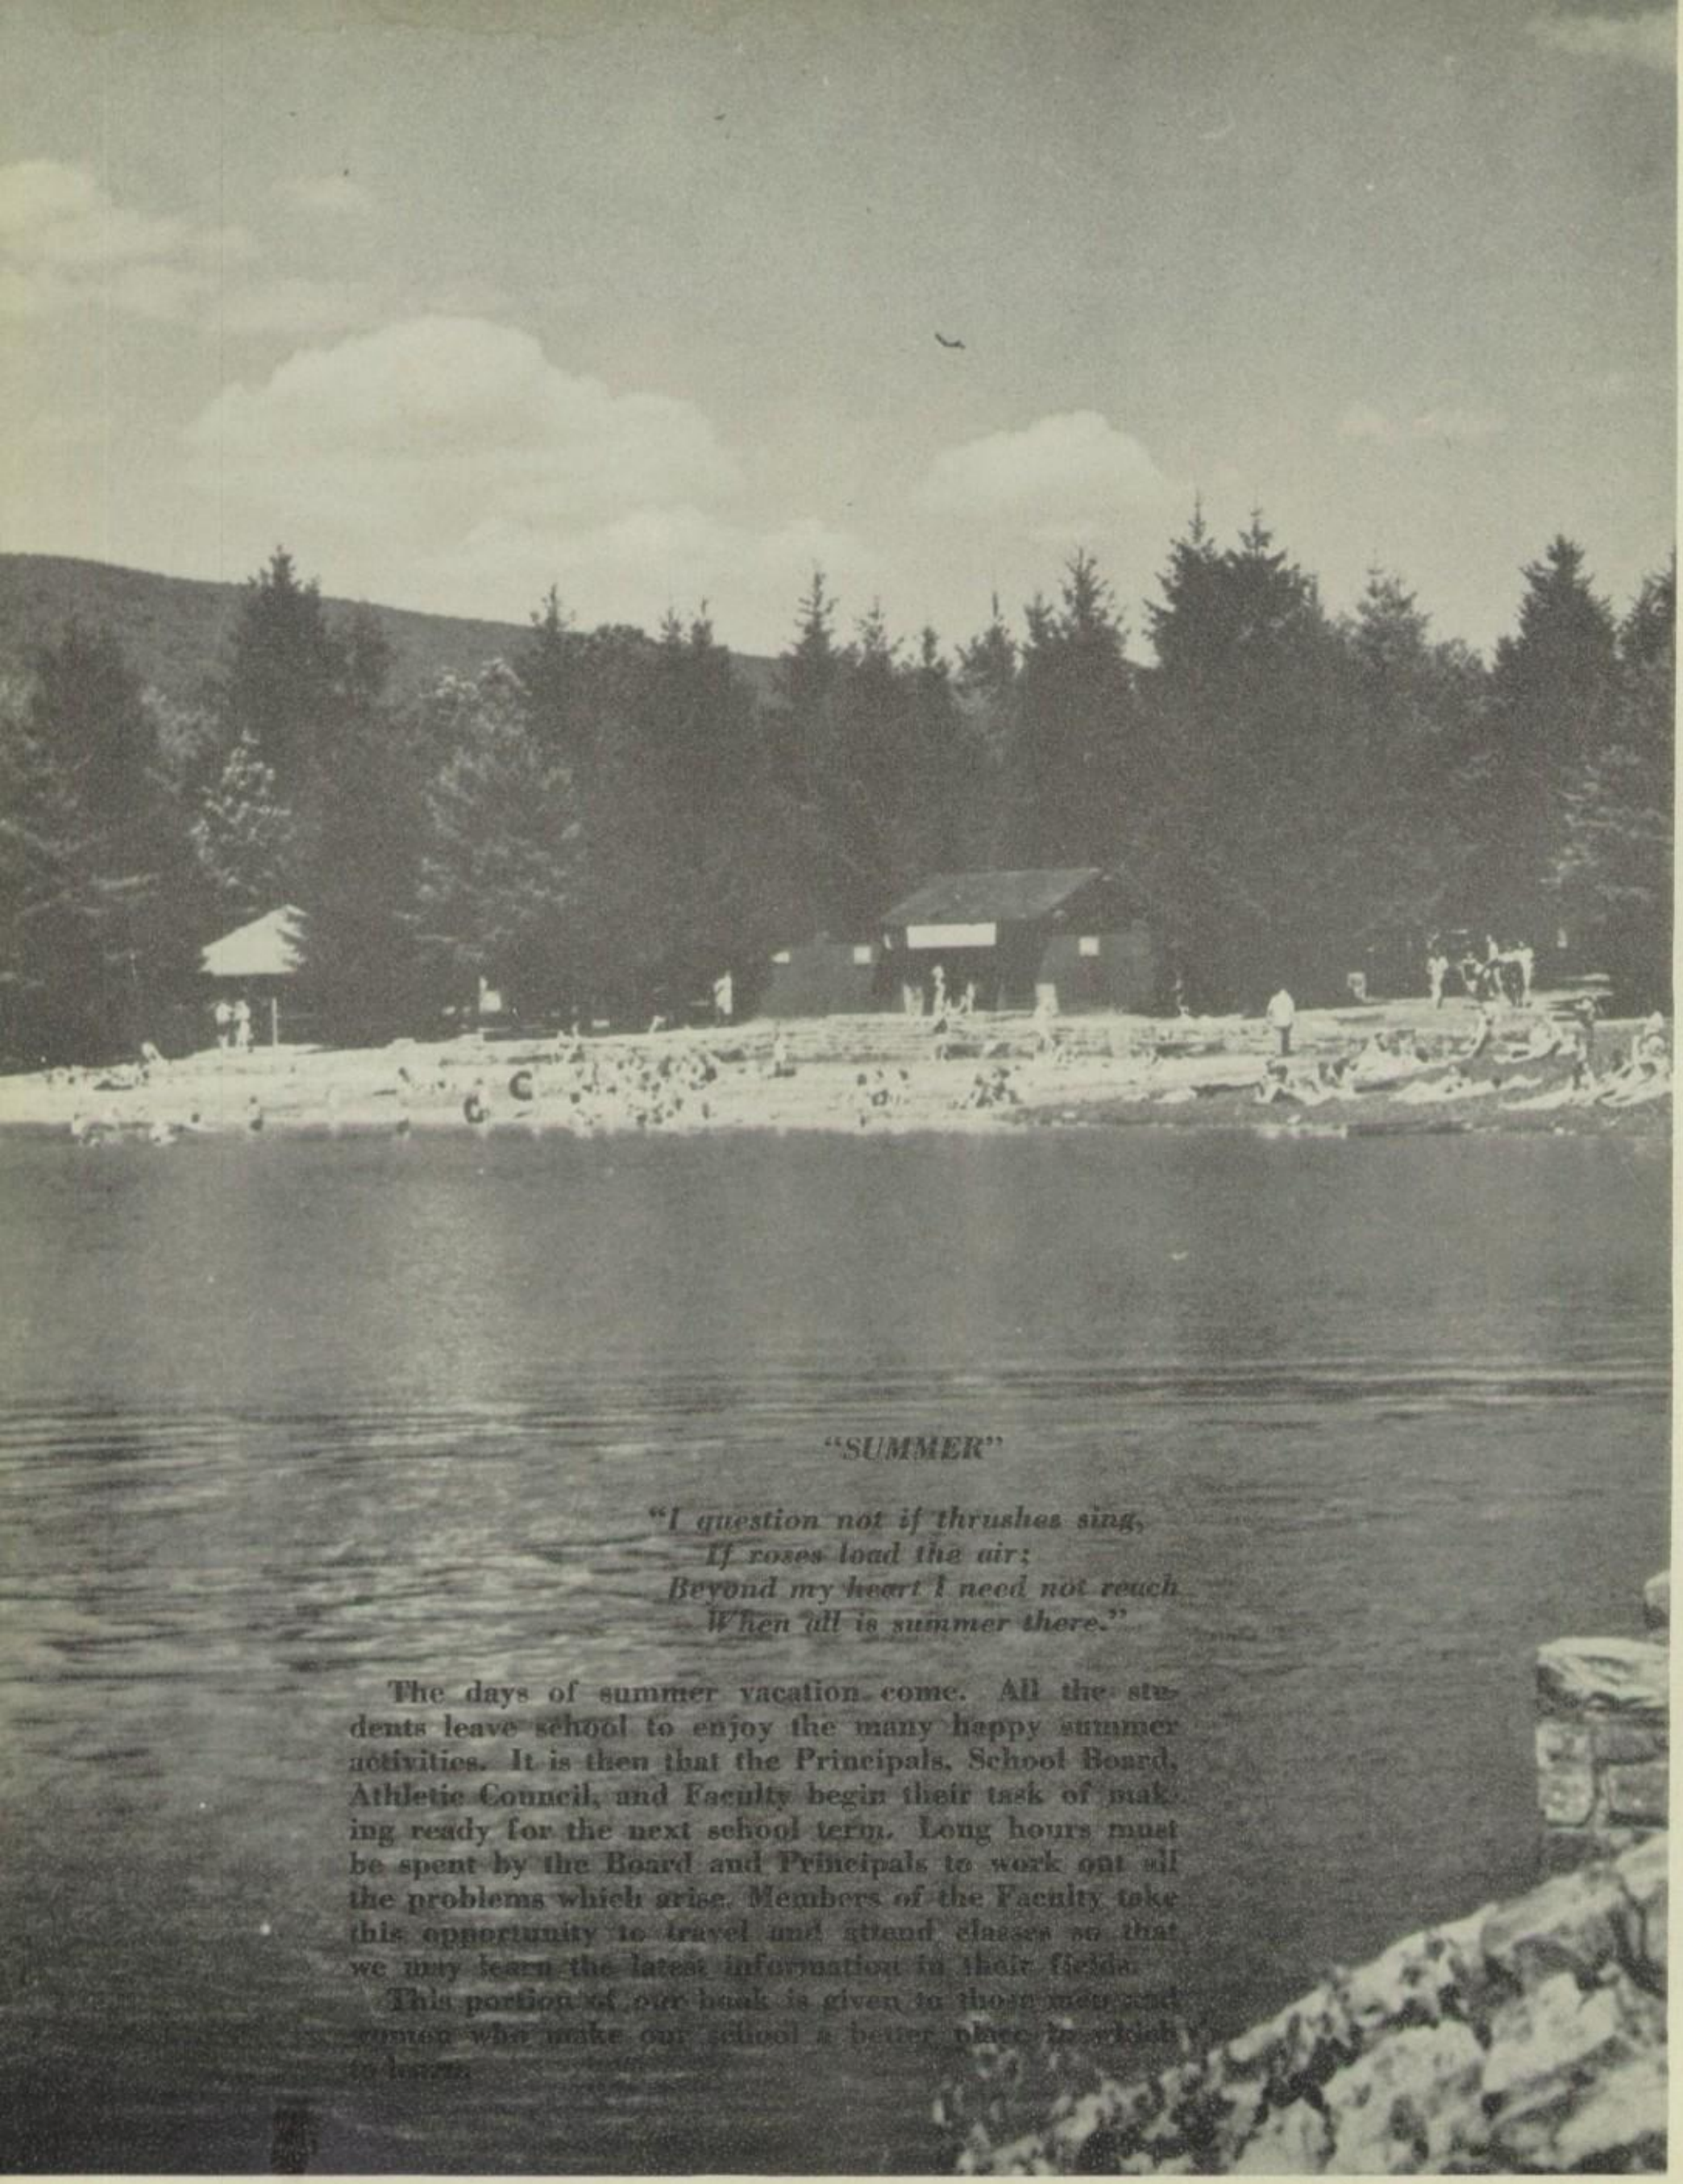
ALMA MATER

Oh, here's to thee Old Derry
Long may you reign supreme
Your high ideals we'll cherish
And your merits we'll esteem.
We'll win for you old Derry
High honor and true fame
We ever will be loyal and . . . . .
We'll praise your grand old name.

DEDICATION

To you, Dear Derry, the class of '51 dedicates with a sense of devotion this volume of L'Histoire. Many are the days we have spent within the Halls of Derry. Years from now our thoughts will often wander to the happy hours enjoyed here. We dedicate this book to you, our Dear Alma Mater, and promise to always cherish the ideals of our high school days. We will truly try to set forth, remembering the key words of our school seal — Scholarship, Loyalty and Achievement.



"SUMMER"

"I question not if thrushes sing,
If roses load the air;
Beyond my heart I need not reach
When all is summer there."

The days of summer vacation come. All the students leave school to enjoy the many happy summer activities. It is then that the Principals, School Board, Athletic Council, and Faculty begin their task of making ready for the next school term. Long hours must be spent by the Board and Principals to work out all the problems which arise. Members of the Faculty take this opportunity to travel and attend classes so that we may learn the latest information in their fields.

This portion of our book is given to those men and women who make our school a better place in which to learn.

AUTUMN

"Oh, it sets my heart a clickin' like

Autumn winds begin to blow. The students turn out to cheer our team to victory and to watch the band and cheerleaders go through some of their snappy routines. Fall brings work for the Newspaper Staff and real study for all. Let us wander now through a typical Fall Season at Derry.

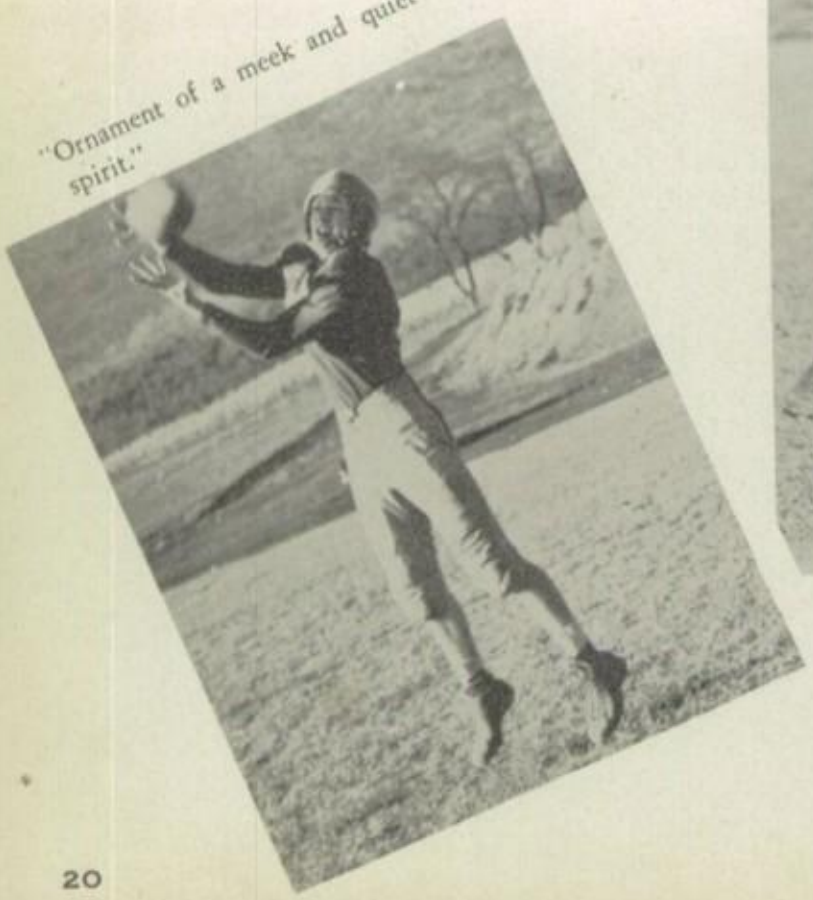
A SUCCESSFUL SEASON

Derry Township's 1950 Football Season came to a close with a successful record to its credit. Having finished with nine wins and two losses.

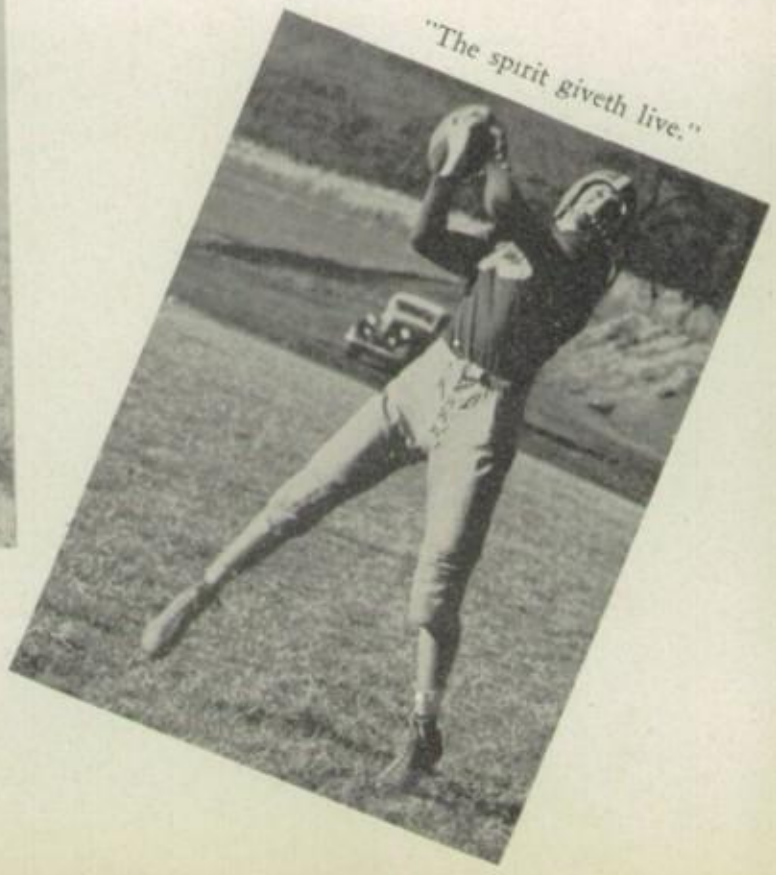
Derry came in first in the Twin Valley Conference with 5.667 points as a result of three wins and no losses. In the Susquehanna Conference, Derry finished with three wins and two losses for a total of 165 points. This was actually better than last year's teams. Derry won all three Non-Conference games.

The three members of the Varsity Squad who will graduate are pictured below: James Goss, end; Richard Gilbert, center; and William Shoffstall, halfback.

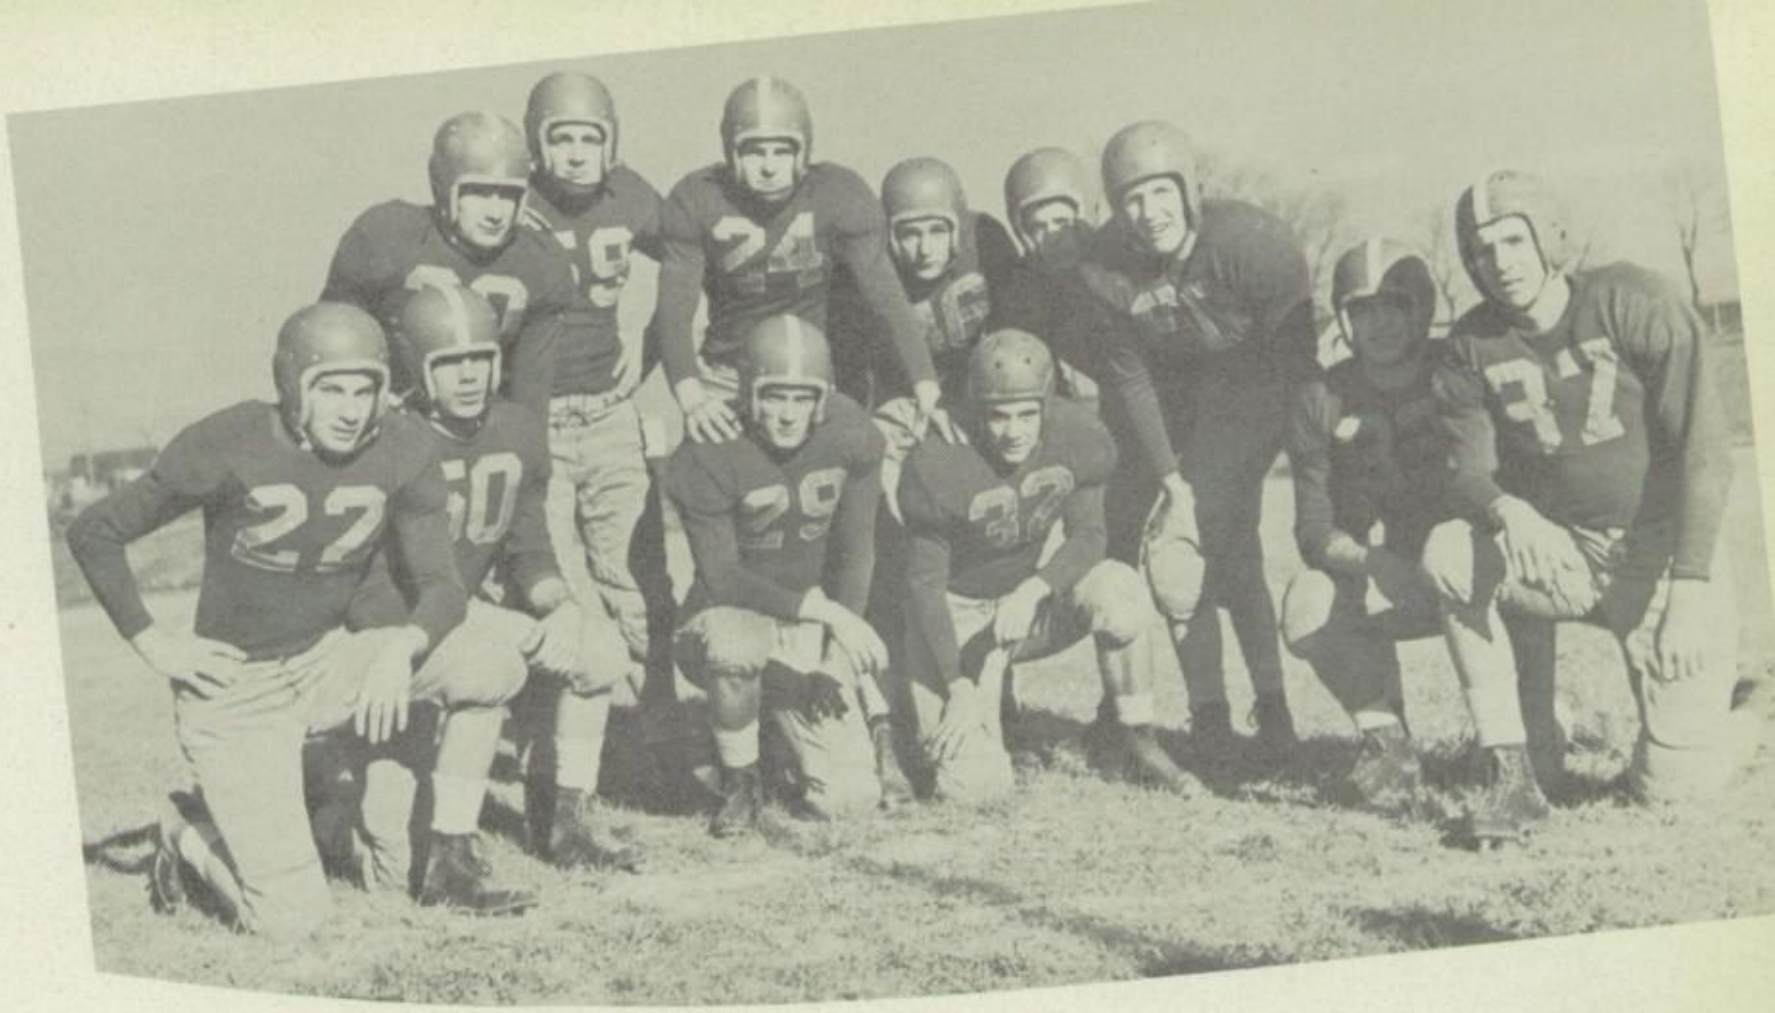


"Ornament of a meek and quiet spirit."

"He that is slow to anger is better than the mighty."



"The spirit giveth live."



OFFENSIVE SQUAD

Derry Township High School had one of its finest backfield performances during the 1950 football season. "Son" Warner took the team's scoring honors with a total of 60 points with Lee Tate and Bob Bohn capturing second place with 42 points each.

These boys were helped in their scoring by the exceptional downfield blocking of Bill Schmidt and "Red" White. The team won several close games through the accurate extra point kicking of Bob Stroup with "Scut" Zieders holding the pigskin.

Derry's well balanced defensive unit played a major role in the success of the 1950 team. When called upon, this rugged line-up gave their all in holding the opponents offensive. The stellar defensive performers were Bob Bohn and "Red" White backing up the line and hard charging "Pret" Gilbert and Bill Schmidt holding their posts in the line.

OUR COACHES

The 1950 team's success was largely due to the fine leadership of our coaching staff. Many times when the Derry Boys' spirits were low, the coaches gave all their efforts to rally them to victory.

WINTER

"O Snow, which sinks so light,
Brown earth is hid, is hid from sight."

Winter's chill makes indoors the center of activities. During this season Basketball and Wrestling are the main sports attractions. L'Histoire Staff does most of their work at this time while the band and choruses are feverishly making ready for their spring concerts.

Come now through winter at Derry.

Wrestling is a new sport at Derry and by the looks of the attendance at the matches it is here to stay. SPRING

"Now nature hangs her mantle green on every
blooming tree
And spreads her sheets o' daisies white
Out o'er the grassy sea."

Spring means graduation for the class of '51. Our school days near completion and we must leave Derry High to take our places in the world. This last portion of the year book portrays our class, its members, our song and, in general, our Farewell.

Class Song

FAREWELL TO DERRY

As days pass by, the time has come
For each of us to say
We are going to leave, leave old
Derry High

But we are going to take our places
In life's great open way
So we'll try to be worthy
Alumni of our school

There is no farewell, so sad as this
As the days go passing
Your halls we'll miss
Though we are leaving
We'll think of you
Farewell to Derry
Farewell to you.
